Bangalore,

15.9.1903.

My dear Sir,

Plague is no doubt bad at Shimoga but there is no panic. Col. Smyth and myself made a minute inspection of the town and its surroundings. We suggested ~~certi~~ certain measures which, I believe, the Deputy Commissioner is carrying out in anticipation of sanction as authorized by me with your kind permission. I shall in a day or two send you a note

In the meantime, I must bring to your notice that the District is short-handed. Mr. Balasundaram Iyer is at Sagar where he has enough to do. Instead of three Assistant Commissioners at head quarters, there are at this most trying time only two, viz, Mr. Chokkanna and Mr. C.Narain Rao: My instructions as regards Plague measures and sanitary improvements will keep Mr. C.Narain Rao wholly engaged at head quarters for some time to come, i.e., until the abatement of Plague in the town. He will have hardly any time to spare for other work and yet he is the only 1st. Class Magistrate in the District, barring Mr.

Mr. Balasundaram Iyer. The Chief Court seem to have declined to recommend Mr. Chokkanna's investment with 1st. Class powers. It is thus clear that either Magisterial and Revenue work must suffer or that Plague and Sanitation must be put into the back ground. In these circumstances, may I earnestly beg that a third Assistant Commissioner with 1st. Class powers be sent to Shimoga as quickly as possible? This would set free Mr. C.Narain Rao for Plague and Sanitation work. If however, this is not possible, ma I suggest that the Munsiff of Shimoga be temporarily place in charge of the District Treasury and also be invested with 1st. Class powers! Mr. Holt is one of our senior Munsiffs and I do not think that the arrangement above wi in any way materially prejudicially affect his civil work which owing to the prevalence of Plague at Shimoga is at present not heavy: Under standing orders, the Munsiff w of course be given an allowance of Rs. 50 a month. May suggest that orders be passed as early as possible after demi official instead of an official consultation with t Chief Court.

Bangalore
16th September 1903.

With reference to your
D.O. of Yesterday's to the C.J.
I am desired to state that
the Munsiff of Shimoga may,
as a temporary measure,
be placed in Charge of the
District Treasury and that it
is incumbent to entrust
him with Criminal work.

To the Secretary

May I venture to ask why I was not consulted when an Assistant Commis-sioner in charge of the District Treasury was relieved of such charge and a munsiff was placed in charge . I have been all al: protesting against munsiffs being put in charge of District Treasuries and instead the practice being put a stop to in place: where it exists , it is resorted to in Di: -trits which have hitherto been strangers to i:
